Dear Frank. I find I must
40 trouble you to copy from
the Liberator of April 12th
1850 - the letter addressed to
Daniel Webster and sign-
ed by eight hundred of
the then prominent men
of Boston and Massachu-
setts.

If you can let me have
it by next Monday eve-
ning, I shall be very much
obliged to you.

Yours affectionately
Samuel J. May
